## Beating the system(s)

A conversation with Lucia Pietroiusti,  
Zach Blas and Sebastien Noel

*Wednesday 30 May 6.30pm*

The second in a series of talks organised by  
*ArtReview* in collaboration with Modern Forms.

Curator Lucia Pietriousti joins artists Zach Blas  
and Sebastien Noel to discuss how thinking about  
the systems – ecological, technological, political –  
that shape our relationship with the world, and  
with each other, informs their practices.
